

CURRICULUM VITA

NAME:

Keith Nielsen Humphreys, OBE, PhD

ADDRESSES:

Department of Psychiatry
401 North Quarry Road
Stanford University
Stanford, CA 94305-5717
KNH@stanford.edu

Center for Innovation to Implementation
Veterans Affairs Palo Alto HCS (152-MPD)
795 Willow Road
Menlo Park, CA 94025
Keith.Humphreys@va.gov

EDUCATION:

A. M., Ph.D. Clinical/Community Psychology	University of Illinois Urbana, Illinois	1989-1993
---	--	-----------

B. A., <i>summa cum laude</i> Psychology	Michigan State University East Lansing, Michigan	1984-1988
---	---	-----------

CAREER NOTE:

My cv records a lack of academic work from 7/2009-7/2010 because I took leave to serve as Senior Policy Advisor at the White House Office of National Drug Control Policy. My principal responsibilities were to design President Obama's drug strategy and to advise on the prevention, early intervention and treatment of substance use disorders, health insurance coverage for such care, the place of substance use and mental health disorders in the Affordable Care Act, the improvement of community parole/probation systems, and the research base on drug policy.

ACADEMIC APPOINTMENTS:

Endowed Chair	Esther Ting Memorial Professor Stanford University School of Medicine	2017-Present
Professor (Tenured)	Department of Psychiatry Stanford University School of Medicine (Adjunct 1995-1998; Assistant Research Professor 1998-2001; Associate Research Professor 2001-2007, Research Professor with Continuing Term 2007-2013, University Tenure Line Professor 2013-Present)	1995-Present
Affiliated Faculty	Stanford Center for Innovation in Global Health Stanford Neurosciences Institute Stanford Center for Health Policy Stanford Law School	2015-Present 2014-Present 2003-Present 2014-Present
Visiting Professor	Department of Addictions, Institute of Psychiatry, Psychology, & Neurology, King's College London. (Honorary Professor of Psychiatry, Institute of Psychiatry at the Maudsley, KCL 2009-2015)	2022-Present

Visiting Professor	School of Psychology and Sport Sciences Northumbria University Newcastle-upon-Tyne, UK	2005
Voluntary Clinical Faculty	Department of Psychology University of California at Berkeley	1998-2000
Research Associate	Department of Psychiatric Medicine Michigan State University	1987-1989

MEDICAL CENTER AND POLICY APPOINTMENTS:

Senior Research Career Scientist	Health Services Research & Development Service, Veterans Health Administration	2010-Present
Director, Mental Health Policy Section	Division of Public Mental Health and Population Sciences, Department of Psychiatry, Stanford University	2013-Present
Associate Director	Center for Innovation to Implementation Health Services Research & Development Service, Veterans Health Administration	2016-2018
Acting Director	Center for Health Care Evaluation Health Services Research & Development Service, Veterans Health Administration	2010-2011
Senior Policy Advisor	Office of National Drug Control Policy Executive Office of the President The White House	2009-2010
Research Career Scientist	Health Services Research & Development Service, Veterans Health Administration	2004-2009
Policy Fellow	Office of National Drug Control Policy Executive Office of the President	2002
Director	Program Evaluation and Resource Center Department of Veterans Affairs (Associate Director, 1999-2001)	2001-2009
Research Psychologist	Center for Health Care Evaluation VA Palo Alto Health Care System	1993-2003

LICENSURE:

Licensed Clinical Psychologist	State of California (PSY14906)	1996-Present
--------------------------------	--------------------------------	--------------

SECURITY CLEARANCE:

Underwent FBI Full Field and Secret Service Background Investigations	2002 & 2010
---	-------------

HONORS:

Honorary Officer of the Most Excellent Order of the British Empire	2022
VA Undersecretary of Health Award for Outstanding Achievement in Health Services Research	2021
Tufts-CEVR Cost-Effectiveness Analysis Paper of the Year (co-author)	2021
Francis E. Jemmott Award, Self-Help and Recovery Exchange, Los Angeles	2020
Herbert Laurie Lecture, Maxwell School, Syracuse University	2019
Jerry Lee Lecture, Stockholm Criminology Symposium	2019
D.K. Stanley Lecture, University of Florida	2019
Fred Kavli Distinguished Lecture, International Society of Neuroethics	2018
Valeriot Goldman Lecture, Santa Clara University	2018
Endowed Chair, Stanford University School of Medicine	2017-
Ludy Benjamin Lecture, Archives of American Psychology	2017
Alan Kazdin Lecture, Department of Psychology, San Jose State University	2015
Granted the Freedom of the City of London	2014
Best Public Health Book of the Year (co-author), British Medical Association	2010
Distinguished Contribution to Psychology in the Public Interest, APA	2009
Outstanding VA Researcher Award, APA Division 18 (Public Service)	2009
Presidential Citation for Distinguished Service to APA Division 50 (Addictions)	2005
Best Submitted Paper, National VA HSR&D Conference	2005
Distinguished Scientific Early Career Contribution to Addiction Research, APA	2003
Fellow, American Psychological Association (Divisions 27 and 50)	2001
Fellow, Society for Community Research and Action	2000
Veterans Affairs Health Care System Young Investigator Award	1998-1999
Rotterdam Addiction Research Institute Young Investigator Award	1996
American Psychological Association Dissertation Research Award	1993
Scheiderer Award for Outstanding Graduate Research	1992
University of Illinois Graduate Student Fellowships	1989 & 1991
Phi Beta Kappa, Mortar Board National Honor Society, National Merit Scholar	1984-1988

PROFESSIONAL SERVICE:

Grant Proposal Review Committees

Standing Committee Member	Study section AA-2, health services research NIAAA, U.S. National Institutes of Health	2002-2006
	Scientific Conference Proposal Review Committee American Psychological Association	2002-2004
Center Grant Reviewer	Collaborative Minority Serving Institution Program NIAAA, U.S. National Institutes of Health	2003
	National Alcohol Research Centers Program NIAAA, U.S. National Institutes of Health	2002
	National Alcohol Research Centers Program Site visit and overall committee, NIAAA U.S. National Institutes of Health	2000
Special Emphasis	RFA on Opioids, Pain, and Addiction VA Health Services Research and Development Service	2020
	RFA on Alcohol and Spirituality, NIAAA U.S. National Institutes of Health	2000

	RFA on: Youth Violence Intervention, U.S. NIH Office of Behavioral and Social Science Research	2000
Ad-Hoc proposal reviewer	UK Medical Research Council, UK National Institute On Health Research, NIDA Clinical Trials Network, Republic of South Africa Medical Research Council, Templeton Foundation, Campbell Social Welfare Collaborative (Copenhagen), Council for Working Life and Social Research (Stockholm), NIAAA BSTART Grant program, Health Research Board of Ireland, Irish Research Council, VA New Clinical Initiatives Program, Ontario Mental Health Foundation, Addiction Research Foundation (Toronto), Research Grants Council of Hong Kong, Social Science and Humanities Research Council of Canada, Commonwealth Fund, Wellcome Trust/DBT India Alliance	1996-Present

Other National and International Committees

Chair, Appointed by Minister of Mental Health and Addictions	Recovery Advisory Committee Province of Alberta, Canada	2022-
Member, Appointed by Baroness Ilora Finlay	U.K. Commission on Alcohol Harm	2020-
Member	World Health Organization Committee to develop guideline on ensuring balanced national policies for access and safe use of controlled medicines	2020-
Elected Member	Council on Criminal Justice	2020-
Advisory Board Member	SPECTRUM Center UK Prevention Research Partnership	2020-
Member, Appointed by U.S. DHHS Secretary	Interdepartmental Substance Use Disorders Coordinating Committee	2019-2022
Member, Challenge Group, Appointed by Professor Dame Carol Black	Independent Review of Drugs, Phase I and II Home Office and Department of Health United Kingdom	2019-2021
Advisory Board Member	RAND OPTIC (Opioid Policy Tools and Information Center for Research Excellence)	2018-
Member	Research Advisory Board, Caron Foundation	2017-
Member	Scientific Advisory Board, Brandeis/Harvard Center to Improve Substance Use Disorder Treatment System Performance	2016-
Member	Steering Committee Member, Mental Health COIN, Little Rock, Arkansas VA HSR&D Program	2016-

Member	International Scientific Advisory Board Swiss Research Institute for Public Health and Addiction, Zurich	2014-
Member	National Advisory Board, Recovery Research Institute Harvard Medical School and Mass General Hospital	2012-
Senior Editor	Surgeon General of the United States Report on Facing Addiction: Alcohol, Drugs and Health	2016
Invited Participant	Government Accountability Office/National Academy of Medicine Think Tank on Drug Prevention	2016
Elected Member	Board, International Society of Addiction Journal Editors	2016-2018
Member	National 24/7 Sobriety Advisory Council	2014-2022
Member	Scientific Advisory Board, Butler Center for Research, Hazelden Foundation	2014-2017
Member	Public Education Working Group, National Pain Strategy Task Force, NIH	2013-2014
Member	Expert Group, Action on Addiction, Salisbury, UK	2012-2016
Member	Opioid Advisory Task Force American Academy of Pain Medicine	2012-2016
Member	Data Safety Monitoring Board for NIDA Clinical Trials Network X:BOT and CHOICES studies	2012-2016
Chairman	Research Advisory Committee, TRACER Study Public Health England, UK Government	2011-2015
Member	Public Policy Committee College on Problems of Drug Dependence	2011-2014
Member, Appointed by Director of NIDA	Adoption of NIDA Treatments Work Group	2011-2012
Member, Appointed by UK Minister for Government Policy	National Expert Group Payment by Outcomes System for Drug Recovery UK Cabinet Office	2010-2012
Member	Expert Group on Medications and Addiction Recovery UK National Treatment Agency	2010-2012
Member	Workgroup on Addiction Treatment Advisory Council on the Misuse of Drugs UK Home Office	2010-2011
Member, Appointed by Director, White House ONAP	Overarching Committee, President Obama's National Strategy for HIV/AIDS	2010

Member, Appointed by U.S. DHHS Secretary	National Advisory Council, Substance Abuse and Mental Health Services Administration	2007-2009
Member, Appointed by President of the United States	White House Advisory Commission on Drug-Free Communities	2006-2007
Member, Appointed by VA Undersecretary for Health	Committee on Care of Veterans with Serious Mental Illness	2005-2008
Member, Appointed by U.S. Veterans Affairs Secretary	Mental Health Task Force Department of Veterans Affairs	2006-2007
Elected Member	Board of the International Society for the Study of Drug Policy	2007-2009
Member	International Advisory Committee SMART Recovery	2005-2009
Member	Scientific Advisory Board, Alcohol Research Group NIAAA National Alcohol Research Center	2004-2009
Member	Sarason Award Committee, American Psychological Assn and Society for Community Research & Action	2004-2007
Elected Member	Board of Professional Affairs American Psychological Association	2004-2006
Member, Appointed by SAMHSA Administrator	Substance Abuse Treatment and Prevention Consultation Group, Office of the Administrator	2003-2006
Member	Advisory Committee, Peer-to-Peer Resource Center Depression and Bipolar Support Alliance	2004
Chairman, Substance Use Disorder Committee	National Mental Health Strategic Plan Workgroup Veterans Health Administration	2003-2004
Member	Washington Circle on Behavioral Health Performance Measures, CSAT	2003-2009
Member	National Advisory Committee, QUERI Substance Abuse Module, Department of Veterans Affairs	2002-2009
Co-Chairman	SAMHSA/VA Workgroup on self-help groups, addictions and public policy	2001-2004
Elected Member-at-Large	Executive Council of Division 50, American Psychological Association	2001-2003
Member	Research Advisory Board, OJJDP U.S. Department of Justice	2001-2004
Member	<u>Psychology of Addictive Behaviors</u> committee to Make PAB an APA journal (Chairman), committees To select editor (2003 and 2007)	2003-2007

Member	Addiction Practice Research Network Development Work Group, American Psychological Association	2001
Participant	Portfolio Review Committee, Treatment Branch, NIAAA, U.S. National Institutes of Health	1999
Member	Expert Panel on Mental Illness and Self-help Center for Mental Health Services, SAMHSA	1996
Member	Task Force on Self-help groups, Joint Commission For the Development of the Treatment Statistical Manual of Behavioral and Mental Disorders	1996
<i>Editorial/Review Activities</i>		
Special Issue Co-Editor	<u>Journal of General Internal Medicine</u> <u>Women's Health Issues</u>	2020 2019
Deputy Editor in Chief	<u>Addiction</u>	2021-
Regional Editor for the Americas	<u>Addiction</u>	2015-2021
Editorial Advisor/Senior Editor	<u>Addiction</u>	2010-2015
Series Editor	<u>Addiction</u> (Treatment Horizons Series)	2003-2006
Editorial Board Member	<u>Addiction</u> <u>Addiction Research and Theory</u> <u>Alcohol Research and Health</u> <u>American Journal of Drug and Alcohol Abuse</u> <u>Journal of Community Psychology</u> <u>Journal of Studies on Alcohol</u> <u>Journal of Substance Abuse Treatment</u> <u>International Journal of Self-Help and Self-Care</u> <u>Psychology of Addictive Behaviors</u> <u>Journal for Specialists in Group Work</u>	2002-2009 2003-2009 2003-2007 2016-2020 2004-2016 2001-2015 2002-2009 2001-2009 and 2010-2014 2005-2008 1996-1999
Book Review Editor	<u>The Community Psychologist</u>	2000-2003
Associate Editor/Co-Founder	<u>International Journal of Self-Help and Self-Care</u>	1998-2000
Ad-Hoc Article Reviewer	<u>Acta Psychiatrica Scandania, Alcoholism: Clin and Exper Research, Alcohol Research: Current Reviews, Am J Community Psychology, Am J Psychiatry, Am Journal Public Health, Annals of Internal Medicine, Annals of Surgery, Archives of General Psychiatry, Behavior Therapy, BMJ, BMJ Open, Clinical Psychology Review, Cochrane Collaboration, Cognition and Emotion, Contemporary Drug Problems, Developmental Psychology, Drug and Alcohol Depend, Eastern Mediterranean Health J.</u>	1992-Present

Other Professional/Community Service

Advisory Group Member	The Project for Modern Democracy Chair: Lord Nick Herbert, CBE	2018-Present
Ambassador	DrugFAM (UK Charity support families facing addiction) Chair: Elizabeth Burton-Phillips, MBE	2017-Present
Member and Co-Chair	Appointments and Promotions Committee Department of Psychiatry, Stanford University (Member 2010-, Co-Chair 2013-2021)	2010-Present
Founder and Chairman	Faculty Advisory Council, Health Policy Forum Stanford University School of Medicine	2007-Present
Advisory Board Member	Our Ohio Renewal	2016-2018
Steering Committee Member	California Blue Ribbon Commission on Marijuana Policy Chair: Lt. Governor Gavin Newsom	2013-2016
Executive Council	Betty Ford Institute Betty Ford Center, Palm Springs, California	2010-2014
Member	Provost's Committee on Alcohol on Campus Stanford University	2011-2013

Member	Scientific Committee, International Meeting of the Society for the Study of Drug Policy	2013-2015
Member, Appointed by University President	Yale University Council Committee on Alcohol in Yale College	2012-2013
Advisor	Governor's Council on Alcoholism and Drug Abuse State of New Jersey	2012
Moderator	Betty Ford Institute State of the Art Conference on Recovery Support Services, Palm Springs, CA	2012
Expert-of-the-Month	SAMSHA Recovery Month Program Rockville, MD	2011
Member	Scientific Committee, 30 th International Congress on Psychology, Capetown, South Africa	2011
Volunteer Consultant	Iraq Ministry of Health Design and reconstruction of mental health system	2004-2009
Research Advisor	Office of Faith-Based and Community Initiatives The White House	2003-2008
Planning Committee Member	National Mental Health Conference Veterans Health Administration, Washington, DC	2007 & 2008
Planning Committee Member	First National Summit on Recovery from Addiction Center for Substance Abuse Treatment, Washington	2005
Delegate	U.S.-Mexico Drug Policy Meeting Represented Office of VA Undersecretary for Health	2004
Consultant	Office of Demand Reduction, White House Office of National Drug Control Policy	2001-2003
Consultant	Office of Governor Gray Davis/State of California Youth Correctional System	2001-2002
Member	Research and Development Committee Overall Committee/Science Subcommittee VA Palo Alto Health Care System	2000-2004 & 2015-
Nominations Committee	American Psychological Association Division 27	1996-2002
Volunteer Counselor	Mid-Peninsula Hospice Program, Mt. View, California	1995-2003
Chair	SCRA Self-Help Interest Group	1993-1998

TEACHING:

Co-Instructor	Policy Labs at Stanford Law School on pay for success in mental health (2014-2015), cannabis policy (2017), college binge drinking (2018-2019), opioid epidemic (2020)	2014-Present
Guest lecturer	Annual Short Course on Addictions and Drug Policy EMCDDA, Lisbon Portugal	2016-2018
Mentor and Steering Committee Member	NIDA T32 Post-Doctoral Fellowship on Pain and Substance Abuse, Stanford Medical School	2013-Present
Mentor	American Psychiatric Association/SAMHSA Minority Mentorship Program and NIMH Psychiatry Fellowship Training Program	2013-Present
Instructor/Coordinator	Addiction Psychiatry (12 week course, once/year) Residency Program in Psychiatry and Behavioral Sciences, Stanford University School of Medicine	2001-Present
Instructor	Program Evaluation (12 week course, once/year) Graduate psychology course in PGSP/Stanford Doctor of Psychology program	2004-2008
Chairman/Member	Dissertation committees of doctoral students in counseling psychology studying health-related topics, School of Education, Stanford University	2000-Present
Guest Lecturer	Lecture regularly on addiction, self-help groups, and health care policy in VA Palo Alto, Stanford and UC-Berkeley courses on pathophysiology, clinical psychology, neuroscience, psychiatry etc.	1996-Present
Preceptor	Health Services Research Postdoctoral Program Veterans Affairs HSR&D/Stanford University	1995-2020
Instructor	Short course: Treatment, prevention and legal policy in the drug and alcohol field West Kent Social Care Trust, Maidstone, UK	2006
Developer	Course materials on alcohol self-help groups for NIAAA/NIH course for medical students	2005
Instructor	Short course: Cure and Care for Alcohol Problems Nordic School of Public Health, Gothenberg, Sweden	2004
Head Supervisor	Health Services Research Rotation, Clinical Psychology Internship Program, VAPAHCS	1998-2003
Supervisor	Community Psychology Intervention Practicum Dept. of Psychology, University of California-Berkeley	1998-2000
Instructor	Mental Health Risk in Communities and Individuals Johns Hopkins University School of Public Health, Institut de Salut Publica, Barcelona, Spain	2000

ACTIVE GRANTS:

Principal Investigator, “Senior Research Career Scientist Award”. Department of Veterans Affairs Health Services Research and Development Service, RCS 04-141-3, 7/2017-6/2024.

This renewable career development award supports pursuit of health services research projects.

Principal Investigator (Multiple PI award w/Todd Korthuis), Western States Node of the Clinical Trials Network. National Institute on Drug Abuse, NIH, 2UG1DA015815-19, 6/1/2020-5/30/2025.

Partnership between Oregon Health and Science University, Stanford University, and the VA Palo Alto Health Care System to design and conduct innovative clinical trials focused on drug addiction.

Principal Investigator (Multiple PI award joint with Michael Cucciare), “Promoting Benzodiazepine Cessation through an Electronically-Delivered Patient Self-management Intervention”. Veterans Affairs Health Services Research and Development Service, HX002714-01A2, 9/1/2020-8/30/24.

This project will tailor a self-directed benzodiazepine cessation tool to Veterans, test its effectiveness in a randomized clinical trial, and conduct a budget impact analysis of its national dissemination.

Principal Investigator (Multiple PI award joint with Brian Knutson and Rob Malenka, “Neurochoice: Controlling Addictive Choice – from Circuits to Policy. Stanford Wu Tsai Neurosciences Institute, 7/1/2017-6/30/2023.

This interdisciplinary collaboration bridges 12 Stanford faculty in 8 departments who conduct and translate addiction research. This includes circuit-focused work with animals, human clinical trials and imaging studies, and a policymaker network designed to translate science into better drug policy.

Principal Investigator, “Mental Health Policy Section”. Silicon Valley Community Foundation, 1/2015-12/2024.

Ongoing gift supporting Dr. Humphreys as mental health policy section director in Psychiatry Department.

Principal Investigator, “Evaluating a Social Impact Bond for Mental Health”. Irvine Foundation/County of Santa Clara, 9/2014-6/2023.

This grant supports the planning, design, and implementation of a randomized evaluation of an innovative social impact bond-funded intervention for seriously mentally ill individuals who repeatedly access emergency and inpatient psychiatric services.

Co-Investigator and Policy/Finance Lead, “Center for Dissemination and Implementation at Stanford”, (PI: Mark McGovern), National Institute on Drug Abuse, 1P50DA054072-01A1, 8/2022-5/2027.

This grant supports a national Center of Excellence that integrates broad-based multi-disciplinary expertise, develops expert capacity, advances the science of implementation, and promotes the equitable sustainment of proven addiction treatments.

Co-investigator, “Tracking the Opioid Epidemic with Social Media: An Early Warning System”, (PI: Russ Altman), National Institute on Drug Abuse, R21 DA057598, 9/1/22-8/31/24.

This grant tries to improve the epidemiology of opioid-related harm through artificial intelligence-driven analysis of social media sites such as Twitter.

Co-Investigator, “Feasibility, Acceptability, and Efficacy of the Cannabis Awareness and Prevention Toolkit”, (PI: Bonnie Halpern-Felsher), National Institute on Drug Abuse (NIH), R34 DA053704, 7/15/2021-6/30/2024.

This grant evaluates a tool for educators, parents, and youth to help prevent initiation of cannabis use.

Co-Investigator, “Using System Dynamics to Enhance the FDA’s Opioids Systems Model and Address the Ongoing crisis”, (PI: Mohammad Jalali), Food and Drug Administration, 9/1/2019-6/30/2023.

This project is using state of the art modelling techniques to assess the potential impact of different policies on the opioid epidemic.

Co-Investigator, “Evaluating Health Services for Justice-Involved Veterans to Improve Policy and Practice”, (PI: Andrea Finlay), Department of Veterans Affairs HSR&D, 10/01/21-09/30/25

This project is intended to improve the effectiveness and efficiency of mental health services delivered to veterans in the criminal justice system.

Co-Investigator, “Making better decisions: Policy Modelling for AIDS and Drug Abuse”, (PI: Doug Owens), National Institute on Drug Abuse, R01DA015612-16, 2/2019-11/2023.

This project models how health policy and care options affect the course of the opioid and HIV epidemics.

Co-Investigator, Longitudinal Study of Recovery: Psychosocial Functioning, Relapse, and Neuro-Behavioral Markers, (PI: Warren Bickel), National Institute on Alcohol Abuse and Alcoholism, R01AA029135, 4/1/2022-3/31/2025.

This project is studying the long-term well-being and substance use outcomes of a cohort of individuals who are in recovery from addiction.

Co-Investigator, “Effectiveness of a Rescue Medication in Preventing Opioid Overdose in Veterans”, (PI: Elizabeth Oliva), Veterans Affairs Health Services Research and Development Service, HX002193-01A1, 7/1/2019-12/30/2022.

This project is evaluating the national rollout of naloxone distribution in the VA health care system and developing a risk score indicating when it prescribing it to pain patients is effective and cost-effective.

Co-Investigator, “Advancing Knowledge Discovery of Postoperative Pain Management”, (PI: Tina Hernandez-Broussard), National Institute on Drug Abuse, R01 LM013362-01A1, 10/1/2019-4/30/2024.

To use machine learning models to predict which surgery patients will develop problematic opioid use.

Co-Investigator, “Predicting fatal and non-fatal overdose in Los Angeles County with Rapid Overdose Surveillance Dashboard to target street-based addiction treatment and harm reduction services”, (PI: Chelsea Shover and David Goodman), National Institute on Drug Abuse, R01DA057630, 9/30/2022-9/29/2025.

To use street-based evidence gathering and geocoding software to create a real-time, policy useful dashboard to guide the response to the opioid addiction and overdose crisis.

Mentor, “Neural Circuitry Underlying Alcohol Use Disorders in Men and Women Veterans”, (PI: Claudia Padula), Veterans Affairs Clinical Services Research and Development Service, CX001356, 1/1/2017-9/30/2022.

This career development award for Dr. Padula will support her research on how neuroimaging techniques can predict the outcomes of alcohol use disorder treatment.

Mentor, “Addiction Treatment in Medicaid Health Homes”, (PI: Christina Andrews), National Institute on Drug Abuse, NIH, K01 DA041628, 3/2106-2/2021.

This grant awarded to Dr. Andrews of the University of South Carolina which will support her research on addiction-related health policy as well as her broader career development.

Mentor, “The Epidemiology and Economics of Chronic Back Pain”, (PI: Eric Sun), National Institute on Drug Abuse, NIH, K08DA042314, 8/17-7/22.

This grant awarded to Dr. Sun of Stanford University will support his career development and research at the intersection of pain and opioid use/misuse.

Mentor, “Pain Catastrophizing, Pain, and Prescription Opioid Use”, (PI: Maisa Ziadni), National Institute on Drug Abuse, NIH, K23, 8/19-8/24.

This grant awarded to Dr. Ziadni of Stanford University will support her career development and research in the field of pain psychology.

Mentor, “Effect of Pain Catastrophizing on Prescription Drug Craving”, (PI: Sophia You), National Institute on Drug Abuse, NIH, K23 DA048972, 7/19-6/24.

This grant awarded to Dr. You of Stanford University will support her career development and research in the field of pain psychology.

Mentor, “Reducing Racial Disparities in the Treatment of Opioid Use Disorder using Machine Learning-Based Causal Analysis”. (PI: Mathew Kiang), National Institute on Drug Abuse, NIH, K99 DA051534-01, 7/2020-6/2025.

This grant awarded to Dr. Kiang of Stanford University will support his career development and research in the fields of addiction and health disparities.

Mentor, “Adoption and Scale-up of Long-Acting Medications for Opioid Use Disorder by U.S. clinicians”, (PI: Chelsea Shover), National Institute on Drug Abuse, NIH K01 DA050771-01, 10/20-9/25.

This grant awarded to Dr. Shover of UCLA will support her career development and research in the fields of addiction and epidemiology.

Mentor, “Defining Phenotypes of Alcohol-associated Liver Disease with Acute Hepatic Decompensation, (PI: Allison Kwong), National Institute on Alcohol Abuse and Alcoholism, NIH, K23 AA029197-01, 6/10/2021 -5/31/2026.

This grant awarded to Dr. Kwong of Stanford University will build prospective registry and biorepository to characterize the natural history and recovery rates of alcohol-associated liver disease.

Mentor, “Research and Mentoring in Innovative Patient Oriented Pain and Opioid Science”, (PI: Beth Darnall), National Institute on Drug Abuse, NIH, K24DA053564, 10/01/21 –9/30/26.

This mid-career development award supports Dr. Darnall’s work in digital health interventions for opioid use disorder and pain as well as her mentoring of junior investigators.

Mentor, “Characterizing the Epidemiology of Cannabidiol (CBD) Use among US adults”, (PI: Eric Leas), National Institute on Drug Abuse, NIH, K01DA054303, 04/01/22 –11/30/27.

This grant awarded to Dr. Leas of the University of California-San Diego will use survey methods to provide the first estimate of the prevalence and consequences of cannabidiol.

Mentor, “Collegiate Recovery Programming in the U.S.: An Implementation Science and Mixed Methods Study”, (PI: Noel Vest), National Institute on Drug Abuse, NIH, K01DA053391-01A1, 03/01/22-2/28/27.

This grant awarded to Dr. Vest of Stanford and subsequently Boston University will support his career development and a study of programs supporting college students in recovery from addiction.

Mentor, “Treatment Research Generalizability to Complex Patients”, (PI: Ryan Cook), National Institute on Drug Abuse, NIH, K01DA055130, 7/1/22-6/30/26.

This grant awarded to Dr. Cook of Oregon Health Sciences University will support his career development and study of biostatistical methods for improving the ability of addiction treatment research to apply to complex patients.

Faculty Member, Pain and Addiction Fellowship Program, NIDA T32DA035165, 7/13-7/23 and Health Services Research Fellowship, VA HSRD, 3/94-3/23.

Dr. Humphreys is a core faculty member in these two federally-funded training programs, which provide education and mentorship for pre-doctoral and post-doctoral trainees pursuing research careers.

SELECTED OTHER GRANTS COMPLETED AS PRINCIPAL INVESTIGATOR:

Principal Investigator, “Cost-effectiveness of Interventions to Reduce Morbidity from Opioids”. Veterans Affairs Health Services Research and Development Service, IIR 17-139, 10/1/2018-9/30/2022.

Principal Investigator, “Measuring what Matters in and from Primary care”. American Board of Family Medicine, 9/1/2020-12/31/2022.

Principal Investigator, “Selection Bias Free Estimation of the Impact of Drug-Focused Twelve Step Mutual Help Groups”. National Institute on Drug Abuse, Clinical Trials Network Western Node Supplement, 3UG1 DA015815-17S4, 9/1/2018-5/30/2020.

Co-Principal Investigator, “Wearable Technology for Mental Health”, (PI: Zhenan Bao), Stanford Catalyst Grand Challenges Grant, 7/2017-7/2020.

Principal Investigator, “Enhancing the Value of VA’s new Uniform Package of Services for Substance Use Disorders” (Suite of 4 inter-related grants). Department of Veterans Affairs, Health Services Research and Development Service, HX-12-001, 10/2012-9/18.

Principal Investigator (Multiple PI award joint with Drs. Brian Knutson and Rob Malenka), “Optimizing choice: From neuroscience to public policy”, Stanford Neurosciences Institute, 1/1/2015-6/30/2017.

Principal Investigator, “Senior Research Career Scientist Award”. Department of Veterans Affairs Health Services Research and Development Service, RCS 04-141-2, 7/2010-6/2017.

Principal Investigator, “Screening and brief intervention in general medical practice”. Michael Alan Rosen Foundation, 11/2012-11/2016.

Principal Investigator, “Towards an Unbiased Estimate of the Effectiveness of Alcoholics Anonymous”. National Institute of Alcohol Abuse and Alcoholism (NIH), 8/12-2/15.

Principal Investigator, "Ethical implications of excluding people with mental illness from medical research". The Greenwall Foundation, 9/2014-8/2015.

Principal Investigator, "Center for Health Care Evaluation", Department of Veterans Affairs Health Services Research and Development Service, 8/2010-8/2011.

Principal Investigator, "Reducing or expanding substance use disorder treatment programs: Evaluating impact from the health care decision-makers' perspective", Robert Wood Johnson Foundation, Substance Abuse Policy Research Program, 9/05-7/09.

Principal Investigator, "Program Evaluation and Resource Center", Department of Veterans Affairs, Office of Mental Health Services, 10/01-5/09.

Principal Investigator, "Research Career Scientist Award". RCS 04-141-1, Department of Veterans Affairs Health Services Research and Development Service. 7/04-7/09.

Principal Investigator, "The epidemiology of problematic substance use behavior in the veteran population". Department of Veterans Affairs Epidemiology Research and Information Center. 1/1/05-12/30/05.

Principal Investigator, "Exclusion criteria in alcohol services research". R-01 AA 13315, National Institute on Alcohol Abuse and Alcoholism (NIH). 9/01-5/04.

Principal Investigator, "Clinical practices and outcomes in VA methadone maintenance programs", Veterans Affairs Quality Improvement Research Initiative, 7/00-10/03.

Principal Investigator, "Access to a self-help organization for problem drinkers", National Institute on Alcohol Abuse and Alcoholism (NIH), grant AA11700, 8/97-8/00.

Principal Investigator, "Outcomes and cost offset of Alcoholics Anonymous", National Institute on Alcohol Abuse and Alcoholism (NIH), grant AA10652, 3/95-8/96.

Principal Investigator, "Expanding participation in self-help groups to enhance health and well-being in two major urban centers", The California Wellness Foundation, 7/00-7/02.

Principal Investigator, "Enhancing participation in and health outcomes of self-help groups", The California Endowment and The California Wellness Foundation, 7/98-12/98.

WRITING/DISSEMINATION FOR A POPULAR AUDIENCE:

I have been a regular contributor to Washington Post, for which I have written about 100 articles, which are collected here https://www.washingtonpost.com/people/keith-humphreys/?utm_term=.5b7f3b7914b0

I have also written articles that were published in New York Times, Wall Street Journal, USA Today, New York Magazine, NBC News, Newsweek, The Week, The Hill, STAT/Boston Globe, The Guardian (UK), The Telegraph (UK), Sacramento Bee, Huffington Post, San Francisco Chronicle, Chicago Tribune, Times Higher Education (UK), San Jose Mercury News, American Prospect, Washington Monthly, Slow Boring, Mother Jones, Crossbow (UK) and other mass media outlets.

My research/policy analysis have been covered by/I've been quoted in New York Times, USA Today, Washington Post, The New Yorker, CNN, Christian Science Monitor, The Atlantic, Boston Globe, Forbes, U.S. News and World Report, CBS Today Show, Wall Street Journal, Time, Kaiser Health News, New York Magazine, Vox, GQ, Weekly Standard, The Week, Esquire, BBC World, ITV, Telegraph, Guardian, London Evening Standard, Sky News, Australian Age, Newsweek/Daily Beast, Slate, Bloomberg News, Fox, Bloomberg Television, Al Jazeera, The Week, The Economist, Salon, Washington Times, PBS Frontline, PBS NOVA, Der Spiegel, Der Zeit, Bild, ABC News, NBC News, L.A. Times, San Francisco Chronicle, Mother Jones, San Jose Mercury News, Radio Africa, New Republic, ProPublica, El País, El Daily, The American Magazine, Marketplace, Prevention Magazine, C-SPAN, NPR, NZZ and other mass media outlets.

Selected Examples of recent writing for a popular audience (N.B.: editors, not authors, pick titles)

Growth in treatment has led to more innovation. *New York Times*, March 17, 2014
<http://www.nytimes.com/roomfordebate/2014/03/17/lowering-the-deadly-cost-of-drug-abuse/growth-in-drug-treatment-has-led-to-more-innovation>

Science and politics – mix for best results. *Times Higher Education*, March 27, 2014
<http://www.timeshighereducation.co.uk/comment/opinion/science-and-politics-mix-for-best-results/2012224.article>

You're never too old to be studied (w/D. Zulman). *New York Times*, May 22, 2014.
https://www.nytimes.com/2014/05/23/opinion/youre-never-too-old-to-be-studied.html?_r=0

Why the massive black market trade in cigarettes affects you even if you don't smoke, *Washington Post*, June 25, 2014. <http://www.washingtonpost.com/blogs/wonkblog/wp/2014/06/25/why-the-massive-black-market-trade-in-cigarettes-affects-you-even-if-you-dont-smoke/>

Britain's streets are booze-soaked war zones. *The Telegraph*, July 31, 2014
<http://www.telegraph.co.uk/news/uknews/crime/11003592/Britains-street-are-now-booze-soaked-war-zones.html>

The U.S. imprisonment rate has fallen for the fifth straight year – here's why. *Washington Post*, September 16, 2014. <http://www.washingtonpost.com/blogs/wonkblog/wp/2014/09/16/the-u-s-imprisonment-rate-has-fallen-for-the-fifth-straight-year-heres-why/>

Why the wealthy stopped smoking but the poor didn't. *Washington Post*, January 14, 2015.
<https://www.washingtonpost.com/news/wonk/wp/2015/01/14/why-the-wealthy-stopped-smoking-but-the-poor-didnt/>

What the pot and pain pill overdose study teaches us about ecological fallacies (w/D. Kivlahan, A. Sox Harris, & J. Finney). *PLOS Mind the Brain*, April 28, 2015. <https://mindthebrain.blog/2015/04/28/what-the-pot-and-pain-pill-overdose-study-teaches-us-about-ecological-fallacies/>

A simple fix for drunk driving. *Wall Street Journal*, August 14, 2015. <http://www.wsj.com/articles/a-simple-fix-for-drunken-driving-1439564251>

How the marijuana legalization movement went corporate. *The Week*, October 29, 2015.
<https://www.theweek.com/articles/582786/how-marijuana-legalization-movement-went-corporate>

Drug treatment: How to separate the good from the bad. *Washington Monthly*, June/July issue, 2016.
<http://washingtonmonthly.com/magazine/junejulyaug-2016/drug-treatment/>

You can go home again: an addiction specialist returns to West Virginia to help. *Stanford Medical School Magazine*, Spring 2016, <http://stanmed.stanford.edu/2016spring/you-can-go-home-again.html>

I like The Establishment and you should too. *USA Today*, June 10, 2016.
<http://www.usatoday.com/story/opinion/2016/06/10/establishment-hillary-clinton-bernie-sanders-donald-trump-revolution-column/85564632/>

Why the rate of Americans on probation has plummeted to a 20 year low. *Washington Post*, Dec 22, 2016.
https://www.washingtonpost.com/news/wonk/wp/2016/12/22/why-the-rate-of-americans-on-probation-has-plummeted-to-a-20-year-low/?utm_term=.b47812e5fc47

Why we might want to grow the House of Representatives by 250 seats. *Washington Post*, Oct 3, 2016.
https://www.washingtonpost.com/news/wonk/wp/2016/10/03/why-we-might-want-to-grow-the-house-of-representatives-by-250-more-seats/?utm_term=.d89c2969bb14

Why California still needs marijuana eradication programs. *Sacramento Bee*, January 6, 2017.
<http://www.sacbee.com/opinion/california-forum/article124852814.html>

The mistake most states make when legalizing marijuana. *Washington Post*, January 18, 2017.
https://www.washingtonpost.com/news/wonk/wp/2017/01/18/the-mistake-most-states-made-when-legalizing-marijuana/?utm_term=.8a4ee4e8d1a4

Americans use far more opioids than anyone else in the world. *Washington Post*, March 15, 2017.
https://www.washingtonpost.com/news/wonk/wp/2017/03/15/americans-use-far-more-opioids-than-anyone-else-in-the-world/?utm_term=.305fc3179d8b

Responding to opioids as an emergency is empty theater without science and funding (w/Richard Frank), *The Hill*, August 29, 2017. <http://thehill.com/blogs/pundits-blog/healthcare/348315-trump-and-tom-price-are-making-it-harder-to-combat-opioids>

How insurance companies can help fight the opioid epidemic, *Washington Post*, October 3, 2017.
https://www.washingtonpost.com/news/wonk/wp/2017/09/25/how-insurance-companies-can-help-fight-the-opioid-epidemic/?utm_term=.4fdf75638721

Long-acting medications for opioids help patients control their future, unreliable, selves. *STAT*, October 19, 2017. <https://www.statnews.com/2017/10/19/opioids-addiction-long-acting-medications/>

Just say no to opioids? Ads could actually make things even worse (w/Austin Frakt), *New York Times*, November 1, 2017. <https://www.nytimes.com/2017/11/01/upshot/why-advertising-is-a-poor-choice-to-tackle-the-opioid-crisis.html>

One idea for preventing leftover opioids from fueling opioid abuse. *Washington Post*, December 5, 2017,
https://www.washingtonpost.com/news/wonk/wp/2017/12/05/one-idea-for-preventing-leftover-opioids-from-fueling-opioid-abuse/?utm_term=.b03ef2c0dd01

Have a drinking problem? Here's a tool for finding effective treatment. *Washington Post*, January 1, 2018.
https://www.washingtonpost.com/news/wonk/wp/2018/01/01/have-a-drinking-problem-heres-a-tool-for-finding-effective-treatment/?utm_term=.330f6ed2c432

Drug dealers among us: look for those wearing lab coats or pinstripe suits. (w/J. Caulkins), *The Hill*, February 6, 2018. <http://thehill.com/opinion/healthcare/372242-drug-dealers-among-us-look-for-those-wearing-lab-coats-or-pinstripe-suits>

Does naloxone availability increase opioid abuse? The case for skepticism. (w/ R. Frank and H. Pollack). *Health Affairs*, March 19, 2018. <https://www.healthaffairs.org/doi/10.1377/hblog20180316.599095/full/>

How synthetic opioids can radically change global drug markets and foreign policy. (w/V. Felbab-Brown and J. - Humphreys, K. (2018, February). Medical cannabis, pain and opioid overdoses. Invited presentation, Inaugural Symposium on Cannabinoids and Medicine, University of California-Irvine, Irvine, California.
- Humphreys, K. (2017, November). Addiction 101 for policymakers. Briefing for 50 cross-committee House and Senate staff, Rayburn Building, Washington, DC.
- Humphreys, K. (2017, October). The opioid epidemic. Briefing for California State Supreme Court Justice Cuellar and staff. San Francisco, CA.
- Humphreys, K. (2017, October). Quality and outcomes of opioid addiction treatment. Webinar for 300 health journalists through USC Annenberg School's Health Matters series, Los Angeles, California.
- Humphreys, K. (2017, October). New regulatory strategies for cannabidiol. Conference on Epilepsy, Stanford University, Stanford, CA.
- Humphreys, K. (2017, July). Testimony on White House Drug Policy and the Opioid Epidemic. House of Representatives Oversight and Government Reform Committee.
<https://www.c-span.org/video/?431678-1/drug-control-policy-acting-director-testifies-opioid-epidemic>
- Humphreys, K. (2017, June). How the health care system can respond to the opioid addiction and overdose epidemic. Briefing for Aspen Health Strategy Group (Co-Chairs, Secretaries Tommy Thompson and Kathleen Sebelius), Aspen, Colorado.
- Humphreys, K. (2017, February). Managing problem drinking offenders. Briefing for the Deputy Mayor for Policing, London, UK.
- Humphreys, K. (2016, November). Recovery. Panel at rollout of Surgeon General's Report on Facing Addiction in America, Hollywood, CA.
- Humphreys, K. (2016, October). Recovery from addiction. Briefing for the Surgeon General. Department of Health and Human Services, Washington, D.C.
- Humphreys, K. (2016, September). Swift and certain principles of behavior change in criminal justice. Invited presentation at the City of London Drug and Alcohol Policy Forum, London, UK.

- Humphreys, K. (2016, August). Changing the behavior of alcohol-involved criminal offenders. Invited presentation at the Annual Meeting of the Missouri Prosecutors Association, Osage Beach, Missouri.
- Humphreys, K. (2016, May). Mandatory sobriety to promote public health and public safety. Plenary at the Washington State 24/7 Sobriety Summit, Seattle.
- Humphreys, K. (2016, April). Key conclusions of the California Blue Ribbon Commission on Marijuana Policy. Presentation on panel on “Designing regimes for legal access” at the Cannabis Policy and Science Summit, New York.
- Humphreys, J. (2016, January). Applying neuroscience to social problems. Invited presentation at World Economic Forum, Davos, Switzerland.
- Humphreys, K. (2015, September). Principles for changing the behavior of people who have drinking problems. Invited address, 24/7 Sobriety National Summit, Big Sky, Montana.
- Humphreys, K. (2015, April). Recent developments in federal mental health policy. Presentation to Association of Health Care Journalists, Santa Clara, California.
- Humphreys, K. (2014, December). The history and evolution of policy towards veterans with addictive and psychiatric disorders. Panel with Fmr. Congressman Kennedy and Dr. Thomas McLellan, American Bar Association Health Law Conference, Washington, D.C.
- Humphreys, K. (2014, November). The tradeoffs of drug policy. Invited lecture, London Drug and Alcohol Policy Forum, London, UK.
- Humphreys, K. (2014, September). The transformation of U.S. mental health and drug policy, 2008-2014. Briefing for Australia National Department of Health, Canberra, Australia.
- Humphreys, K. (2014, March). Swift and certain consequences: Gearing the criminal justice system to change behavior. Policy Exchange think tank lecture, London, UK.
- Humphreys, K. (2014, March). Current public policy issues in addiction and recovery. Presentation to Addictions Workgroup, Center for Social Justice, London, UK.
- Humphreys, K. (2013, November). Freeing West Virginia from methamphetamine laboratories. Briefing for the Governor’s Advisory Council on Substance Abuse. Charleston, WV.
- Humphreys, K. (2013, September). Responding to opioid and methamphetamine addiction. Presentation to Kanawha County Methamphetamine Task Force, Charleston, West Virginia.
- Humphreys, K. (2013, March). An evidence-informed policy approach for alcohol in Britain. Co-presentation with the Baroness Finlay of Llandaff, Alcohol Research UK Conference, Wellcome Centre, London.
- Humphreys, K. (2012, March). Launching a new approach to alcohol-involved violence in London. Mayor’s Office for Policing and Crime, London, UK.
- Humphreys, K. (2012, March). The evidence base for mandatory sobriety. House of Lords, London.
- Humphreys, K. (2012, January). Managing alcohol-involved offenders in England. House of Lords, London.
- Humphreys, K. (2011, September). Responding to alcohol-related violence in Wales. Briefing for Welsh National Assembly Members and Senior Health Officials, Cardiff, Wales.

Humphreys, K. (2011, July). A therapeutic jurisprudence approach to alcohol-related violence in the UK. Invited briefing for peers, House of Lords, London.

Humphreys, K. (2011, May). A new approach for responding to alcohol and family violence. Invited presentation with Deputy Mayor Malthouse at the Metropolitan Police Authority, London.

Humphreys, K. (2011, May). Improving the outcomes of treatment. Opening plenary panel with Lord Mancroft, UKESAD Conference, London.

Humphreys, K. (2011, May). Payment-by-results and the maximization of drug treatment effectiveness. All Party Group on Drugs Misuse, House of Commons, Parliament, London, UK.

Humphreys, K. (2011, April). Can we help Mexico by lowering U.S. drug consumption? Briefing for North American Forum planning group (Co-chairs Secretaries Bill Perry and George Schultz). Hoover Center, Stanford, CA.

Humphreys, K. (2011, March). Responding to substance use disorders in the U.S. armed forces: Policy and clinical resources. Invited testimony to the Institute of Medicine, Washington, D.C.

Bernard, R., Humphreys, K., & Bohman, G. (2011, March). Medical marijuana: Perspectives and considerations in clinical practice. Webinar presented by Stanford Hospital Risk Management Service, Stanford, CA.

Humphreys, K. (2011, February). A new paradigm for addressing substance-involved offenders. London Drug and Alcohol Policy Forum, London, UK.

Humphreys, K. (2011, January). Responding to the West Virginia's drug abuse epidemic. Testimony to the House of Delegates committee on Health and Human Resources (1/26), the Senate committee on Health (1/27), and briefing for Governor Tomblin (1/27).

Humphreys, K. (2010, October). Therapeutic jurisprudence with drug and alcohol-involved criminal offenders. Briefing for Prime Minister's Strategy Unit, London.

Humphreys, K. (2010, September). Conducting a trial of 24/7 sobriety in London. Briefing for Kit Malthouse, Deputy Mayor for Policing, London.

Humphreys, K. (2010, September). Project HOPE as a model for drug-involved offenders. Briefing for James Brokenshire, MP, UK Minister for Crime Reduction, London, UK.

Humphreys, K. (2010, September). Circles of Recovery: What science tell us about self-help groups for addiction. Presentation to UK Advisory Council on the Misuse of Drugs, Home Office, London, UK.

Humphreys, K. (2010, May). Bridges to the next Government. Panel with David Burrowes, MP and Baroness Doreen Massey, UKESAD, London, UK.

Humphreys, K. (2010, May). The U.S. approach to promoting recovery from addiction. Presentation to the All-Party Parliamentary Group on Drugs Misuse. London, UK.

Humphreys, K. (2010, April). The drug strategy and public health. Presentation to the National Advisory Council, Center for Substance Abuse Treatment, Rockville, MD.

Humphreys, K. (2010, March). The Obama drug strategy: A preview. Briefing for David Davies, MP and the Center for Policy Studies, London, UK.

Humphreys, K. (2010, January). Promoting quality in addiction treatment. Remarks to the Cross Party Parliament Group on Addiction Treatment and Harm Reduction, London, UK.

- Humphreys, K. (2009, November). Lessons from the VA experience about how the federal government can improve the treatment of substance use disorders. Briefing for the Office of the Vice-President of the United States, The White House, Washington, D.C..
- Humphreys, K. (2009, March). Building evidence-based heroin addiction treatment systems that promote public health and public safety. Briefing arranged by UK Drug Policy Forum for Tory Shadow cabinet and backbench members of Parliament, Portcullis House, London, UK.
- Humphreys, K. (2006, February). The epidemiology of substance use among veterans. Briefing for the White House Office of National Drug Control Policy, Executive Office of the President, Washington, DC.
- Suchinsky, R. S., Humphreys, K., & Markie, P. (2004, December). Drug control programs in the Department of Veterans Affairs. Briefing for staff of the Subcommittee on Criminal Justice, Drug Policy and Human Resources, Government Reform Committee, U.S. House of Representatives (Chair, Rep. Mark Souder).
- Humphreys, K. (2004, June). Research on the outcomes of faith-based organizations. Chair of panel at First National White House Conference on Faith-Based and Community Initiatives, Washington, D.C..
- Humphreys, K., Gifford, E., & Waldroup, W. (2003, December). Scientific evidence relevant to the Access to Recovery Initiative. Briefing for the White House Office on Faith-Based and Community Initiatives, Washington, D.C..
- Suchinsky, R. S., & Humphreys, K. (2003, March). Substance abuse treatment in the Veterans Health Administration: Trends in access, quality and funding. Briefing for staff of U.S. Senator Joseph Biden, Washington, D.C..
- Humphreys, K. (2003, January). Clinical and cost-effectiveness of self-help groups for addictive and psychiatric disorders. Briefing for the Committee on the Care of Seriously Mentally Ill Veterans (U.S. Senate Chartered committee), Washington, DC.
- Humphreys, K. (2001, February). Addiction self-help organizations: Research findings and policy options. Presentation to The White House Office of National Drug Control Policy, Executive Office of the President, Washington, DC.

SELECTED INVITED PRESENTATIONS TO SCIENTIFIC SOCIETIES AND INSTITUTES:

- Humphreys, K. (2023, October). Using science and clinical knowledge to improve mental health policy. Invited presentation at the 3rd Annual International Psychiatry and Addiction Masterclass, Dubai, United Arab Emirates.
- Humphreys, K. (2022, January). 12-step groups for substance use disorder: What is the evidence? Grand Rounds, Department of Psychiatry, University of Florida, Gainesville.
- Humphreys, K. (2022, January). Mutual help groups as a recovery-supportive resource. Webinar for American Academy of Addiction Psychiatry, Advanced Psychotherapy Training Course.
- Humphreys, K. (2022, December). Mutual help groups and recovery from addiction. Invited talk at Recovery Research Institute, Harvard University.
- Humphreys, K. (2022, November). Translating addiction science to practice and policy. Grand Rounds (w/R. Malenka and A. Lembke), Department of Psychiatry, Stanford University.
- Humphreys, K. (2022, November). Substance use disorder focused self-help groups: Evidence and clinical practice guidance. Webinar for Veterans Affairs Mental Health Community of Practice.

- Humphreys, K. (2022, November). Harnessing political will for addiction recovery: the necessary steps. Invited lecture at Trinity College Dublin, Ireland.
- Humphreys, K. (2022, November). Addiction: What it is, how it develops, and how people recover. Public lecture at the University of Kent, Canterbury.
- Humphreys, K. (2022, October). The power and limits of evidence in public policy formation. Keynote address at the National Alliance for Recovery Residences Summit, Richmond, Virginia.
- Humphreys, K. (2022, August). How to be an effective and ethical scientific reviewer. Invited faculty development workshop at Oregon Health Sciences University, Portland, OR.
- Humphreys, K. (2022, May). The power and limits of evidence in addiction-focused policy. Keynote address at Drugs Research Network of Scotland Conference, Stirling.
- Humphreys, K. (2022, April). How a country became addicted to opioids: lessons for the world. Keynote address at ACTIS conference on “Boundless Intoxication”, Oslo, Norway.
- Humphreys, K. (2022, April). Key Findings and Recommendations of the Stanford-Lancet Commission on the North American Opioid Epidemic. Keynote address at national conference of the National Centre for Youth Substance Use Research, Brisbane, Australia.
- Humphreys, K. (2022, April). Addiction-focused mutual help groups and the professional health care system. Invited plenary at Recovery Capital Summit, Calgary, Canada.
- Humphreys, K. (2022, February). Effectiveness of 12-step mutual help groups: The latest scientific evidence. Invited plenary at conference of Western Doctors in Recovery, Newport Beach, CA.
- Humphreys, K. (2022, February). Mutual help groups as an addiction recovery resource. National webinar of the NIDA Clinical Trials Network Western States Node.
- Humphreys, K. (2021, November). The role of science in the formation of addiction and mental health policy. Grand Rounds, Department of Psychiatry, University of Leicester, UK.
- Humphreys, K. (2021, October). The role of mutual help and recovery housing in quality addiction treatment services. National Alliance for Recovery Residences Summit, Richmond, Virginia.
- Humphreys, K. (2021, October). Drug Policy, Neuroscience, and the Public Good. Addiction and Choice eConference, Office of the Chief Psychologist, Ministry of Home Affairs, Singapore.
- Humphreys, K. (2021, June). Professor Smith goes to Washington: Using science to improve public policies on addiction. Addiction Training Institute, Morgantown, West by God Virginia.
- Humphreys, K. (2020, November). Mutual help groups and addiction. Closing plenary address, Appalachian Addiction and Prescription Drug Abuse Conference, Charleston, West Virginia.
- Humphreys, K. (2020, October). Radical drug policy: Alcohol regulation. Invited talk to University of Chicago School of Social Administration retreat, Chicago, IL.
- Humphreys, K. (2020, September). Alcoholics Anonymous and Twelve Step Facilitation as Recovery Resources for Veterans. National Webinar, Veterans Health Administration.
- Humphreys, K. (2020, June). To think of alcohol as a drug. Invited Lecture, National Drug and Alcohol Research Center, Sydney, Australia.

- Humphreys, K. (2020, February). Federal policy and the dual nature of drugs. Keynote speech, Academy for Justice Conference on the Controlled Substances Act at 50 years, Sandra Day O'Connor College of Law, Arizona State University, Phoenix, AZ.
- Humphreys, K., Pitt, A., & Brandeau, M. (2019, November). Modelling policy impacts on the opioid epidemic. Paper presented at the American Society of Criminology, San Francisco, CA.
- Humphreys, K. (2019, November). The varieties of cannabis legalization. Opening Plenary Address, Australasian Professional Society on Alcohol and Other Drugs, Hobart, Tasmania.
- Humphreys, K. (2019, September). Marijuana legalization: beyond yes or no. Herbert Laurie Lecture, Maxwell School of Citizenship and Public Affairs, Syracuse University, Syracuse, NY.
- Humphreys, K. (2019, July). Evidence-informed strategies for reducing alcohol-fueled crime in the United Kingdom. International conference on Evidence-based policing, Cambridge, UK.
- Humphreys, K. (2019, June). The radical drug policy reform we need: regulating alcohol. Jerry Lee Lecture on Experimental Criminology, 2019 Stockholm Symposium on Criminology, Sweden.
- Humphreys, K. (2019, May). Brains, drugs, and public policy. Invited Symposium, University of Sussex Addiction Research and Intervention Centre, Brighton, UK.
- Humphreys, K. (2019, May). Translating neuroscience into better policies regarding psychiatric disorders. BrainMind Institute, Massachusetts Institute of Technology, Boston.
- Humphreys, K. (2019, April). Mutual help groups and recovery from substance use disorders. Invited seminar at Oregon Health Sciences University, Portland, OR.
- Humphreys, K. (2019, April). The pleasures and pains of opium: Creating effective, ethical policies for responding to the opioid epidemic. Plenary address at American College of Medical Toxicology, San Francisco, California.
- Humphreys, K., & Shover, C.L. (2019, April). Legalization of cannabis in Norway. Invited plenary, Annual Conference of the Norwegian Federation of Addiction Psychology, Oslo.
- Humphreys, K. (2019, April). Patients vs. Subjects: why so much addiction treatment research doesn't generalize to clinical practice. Invited plenary, Annual Conference of the Norwegian Federation of Addiction Psychology, Oslo.
- Humphreys, K. (2019, March). Effective strategies for responding to the opioid crisis. D.K. Stanley Lecture, College of Health and Human Performance, University of Florida, Gainesville.
- Humphreys, K. (2018, November). Next steps toward a solution: Learnings to inform policy and practice. Invited roundtable discussion participant, Workshop on *Pain and Symptom Management for People with Serious Illness in the Context of the Opioid Epidemic*, National Academies of Sciences, Engineering, and Medicine. Washington, D.C.
- Humphreys, K., & Frakt, A. (2018, November). Communicating science to the mass media. National Webinar, VA Health Services Research and Development Service.
