## “Accountable Care and the Next Steps in Health Care Reform”

### **Dr. Mark McClellan**

Senior Fellow and Director of the Health Care Innovation and Value Initiative at the Brookings Institution

**About the speaker:** Mark McClellan, MD, PhD, is a senior fellow and director of the Health Care Innovation and Value Initiative at the Brookings Institution. Within Brookings, his work focuses on promoting quality and value in patient-centered health care. Dr. McClellan is a former administrator of the Centers for Medicare & Medicaid Services (CMS) and former commissioner of the U.S. Food and Drug Administration (FDA), where he developed and implemented major reforms in health policy. He previously served as a member of the President’s Council of Economic Advisers and senior director for health care policy at the White House, and was an associate professor of economics and medicine at Stanford University.
